RE: ***Tennessee Coalition of Rural Incumbent Telephone Companies and  
Cooperatives Request for Suspension of Wireless to Wireless Number  
Portability Obligations Pursuant to Section 251(f)(2) of the Communications  
Act of 1994, As Amended  
TRA Docket No. 03-00633***

Dear Hearing Officer Collier:

At the Authority's Conference of June 7, 2004, the above-referenced matter was placed on the agenda in an effort to establish a hearing date for the proceeding. As you will recall, a number of scheduling conflicts exist among the parties. Therefore, the parties conferred and reached an agreement that a paper hearing represents the most expeditious means of presenting the matter to the Authority. As such, and with the Authority's approval, the parties agree to alter the procedural schedule established in this docket in the following manner:

June 18, 2004	Rebuttal Testimony Due
July 9, 2004	Briefs Due
July 26, 2004	Revised Interim Suspension Expiration; Proposed Date for Authority Deliberations; Decision Rendered

As you will note, the timeline outlined above extends beyond the interim suspension granted in the *Order Granting Petitions For Intervention and Motion for Suspension Pending Proceeding and Establishing Expedited Procedural Schedule* (the "Order"), which was issued on May 7, 2004. In that Order, the Authority granted an interim suspension for complying with the FCC's LNP requirements until July 23, 2004. The parties understand that proposing the above amendments to the procedural schedule will necessitate that the Authority take action in order to extend the original interim suspension period to July 26, 2004, so that the Authority may have time to deliberate and decide the case prior to the expiration of the interim suspension. The parties hereby concur with such action.
